

March 2006

It is with such joy and anticipation that we invite you and your members to join together for “**The Heart Cry of Revival: Father, Glorify Thy Name!**” on Easter weekend.

NCFC is hosting this conference and holds its doors open to everyone to embrace the fullness and diversity of Christ’s Body.

Through the different speakers, worship, and a collective intercession time, we are praying that the Lord will bring restoration, peace, and a renewed hope to the people in the DC area. In addition, this pivotal step in joining together can be an opportunity for all of us, as believers and lovers of Jesus Christ, to rally behind the Lord’s heart and passion for the lost and broken-hearted.

We believe that the same Holy Spirit that raised Jesus from the dead and has transformed many lives wants to break through once again. Please consider connecting with us.

Attached are the Bios of our Speakers & a detailed schedule. For more information, please visit www.fellowshipusa.org and/or send an email to ncfcrevival@yahoo.com

Sincerely,

Rev. Jin Oh Bae
